

At Focus Point Center, we understand the importance of a smooth and error-free application process for NEET 2026. As one of Chennai coaching institutes specializing in medical entrance exam preparation, we guide our students meticulously through every step – starting from gathering the documents required for NEET 2026 to exam day readiness. This comprehensive guide covers all the necessary documents, specifications, and application procedures you need to know to ensure your NEET 2026 application is flawless.

List of Documents Required for NEET 2026 Application

To successfully register for NEET 2026, candidates must prepare and upload several key documents. These documents serve to verify your identity, eligibility, and exam readiness. Here's what you need:

- **Recent Passport-Size Photograph:** This is crucial for your NEET admit card and identity verification at the NEET exam centre. The photograph

must have a white background with ears visible and cover 80% of your face.

- **Postcard-Size Photograph:** This photograph is to be pasted on the admit card in the space provided.
- **Left and Right-Hand Thumb Impressions:** Clear impressions are mandatory and will be cross-verified during the exam.
- **Scanned Signature:** Your signature must be clear and meet the size and format specifications.
- **Category Certificate:** If you belong to a reserved category, upload the valid certificate as per the National Testing Agency (NTA) guidelines.
- **Person With Benchmark Disability (PwBD) Certificate:** Applicable for candidates seeking reservations under disability categories.
- **Citizenship Certificate:** Required for NRI, OCI, or foreign candidates.
- **Class 10 and 12 Mark Sheets and Passing Certificates:** These documents prove your educational qualifications.
- **Address Proof:** To verify your residence, acceptable documents include ration card, bank statement, or electricity bill.

Specifications for Document Upload

At Focus Point Center, we emphasize strict compliance with the important guidelines laid out by the NTA to avoid application rejection due to improper document uploads. The NTA mandates specific file formats and size limits:

Document	Format	Size Range
Passport-size Photograph	JPG/JPEG	10 KB - 200 KB
Postcard-size Photograph	JPG/JPEG	10 KB - 200 KB
Signature	JPG	4 KB - 30 KB
Thumb Impressions	JPG/JPEG	10 KB - 200 KB
Category Certificate	PDF	50 KB - 300 KB
PwBD Certificate	PDF	50 KB - 300 KB
Citizenship Certificate	PDF	50 KB - 300 KB
Class 10/12 Certificates	PDF	50 KB - 300 KB
Address Proof	PDF	50 KB - 300 KB

Ensure that your documents meet these requirements before uploading, as failure to comply will prevent you from proceeding with the application.

Step-by-Step NEET 2026 Application Process

The NEET UG exam is conducted by the National Testing Agency (NTA) annually in offline mode (pen and paper mode), and the application process is entirely online. Here's how you can complete your NEET 2026 application smoothly:

1. Registration

Visit the official NTA NEET website and register using your valid email ID and mobile number. You will receive an application number and password that you must keep safe for future login.

2. Filling the Application Form

Log in with your credentials and carefully fill in personal, educational, and contact details. Double-check all entries to avoid errors that can complicate your admission process.

3. Uploading Documents

Upload all the scanned images and documents as per the file format and size specifications mentioned above. Pay close attention to the white background requirement for photographs and ensure your ears are visible in the images.

4. Application Fee Payment

The application fee must be paid online through multiple options such as debit/credit cards, net banking, or UPI. Keep the payment receipt and confirmation page for your records.

5. Confirmation Page

After successful payment, download and save the confirmation page. This page is your proof of successful application submission and may be required during counselling and admission.

6. Correction Window

NTA opens a correction window after the application deadline, allowing candidates to make necessary changes to their submitted forms. Make sure to utilize this opportunity if you spot any errors.

Important Dates for NEET 2026

- **Application Start Date:** February 2026 (tentative)
- **Last Date to Submit Application:** March 2026 (tentative)
- **Correction Window:** March 2026
- **Admit Card Release:** April 2026
- **Exam Date:** First week of May 2026 (tentative)
- **Result Announcement:** June 2026

Mark these dates carefully to ensure you don't miss any crucial deadlines.

Common Mistakes to Avoid

At IIG Academy, we advise our students to avoid these common pitfalls during the NEET 2026 application:

- Uploading photos or documents that do not meet size or format criteria.
- Submitting incomplete or incorrect personal or academic information.
- Missing the application fee payment deadline.
- Failing to download and save the confirmation page.
- Ignoring the correction window if errors are found.

What to Carry on NEET Exam Day?

On the day of the NEET exam, candidates must bring:

- Printed copy of the NEET 2026 admit card.
- Two passport-size photographs and one postcard-size photograph (same as uploaded).
- A valid photo ID proof (Aadhaar card, PAN card, Voter ID, etc.).

- PwBD certificate if applicable.
- Follow all the instructions mentioned in the information bulletin and admit card.

Without these, entry to the exam centre will be denied.

Why Choose Focus Point Center for NEET Preparation?

At Focus Point Center, we don't just help you prepare academically but also guide you through the entire admission and application process. Our experienced faculty, structured study materials, and regular test series ensure you are well-prepared for the exam pattern and challenges of the NEET UG exam.
